

I'll Buy That Dream

Doris Day

Before we met I never dreamed much
It always seemed such a waste of time
But now I find my every night full
Of dreams delightful
And you're the reason and the rhyme

Imagine me with my head on your shoulder
And you with your lips getting bolder
A sky full of moon and a sweet mellow tune
I'll buy that dream!
Imagine me in a gown white and flow'ry

And you thanking dad for my dowry
A church full of folks and those last-minute jokes
I'll buy that dream!
We'll plan a trip between us
A honeymoon on Venus
Then home by rocket in a wink

We'll settle down near Dallas
In a little plastic palace
It's not as crazy as you think
Imagine me on our first annivers'ry
With someone like you in the nurs'ry
It doesn't sound bad, so if it can be had
I'll buy that dream!

Imagine me on our first annivers'ry
With someone like you in the nurs'ry
It doesn't sound bad, so if it can be had
I'll buy that dream!
I'll buy that dream!
