

# I've Only Myself To Blame

Doris Day

I've only myself to blame 'cause we're through  
I've only myself to blame  
What good what it would  
To blame someone who  
Depended on you to be fair

I should've been glad for once  
To have had a love I'd know right to claim  
But I played it smart, then you broke my heart  
And I've only myself to blame, what a shame  
I've only myself to blame

I've only myself to blame 'cause we're through  
I've only myself to blame  
What good what it would  
To blame someone who  
Depended on you to be fair

I should've been glad for once  
To have had a love I'd know right to claim  
But I played it smart, then you broke my heart  
And I've only myself to blame, what a shame  
I've only myself to blame
