

I Want to Be Happy

Doris Day

I want to be happy
But I won't be happy
Till I make you happy too.
Life's really worth living
When you are mirth giving
Why can't I give some to you?
When skies are gray
And you say you are blue
I'll send the sun smiling through
I wanna be happy
But I won't be happy
Till I make you happy too.
I want to be happy... worth living
When we are mirth giving
Why can't I give some to you?
When skies... blue
I'll send that sun smilin' through.
I want to be happy... happy too.
I won't be happy
(She won't be happy)
I won't be happy
Till the day you're happy too.

When skies are gray
And you say you are blue

I'll send the sun smiling through

I want to be happy
But I won't be happy
Till I make you happy too.

When skies are gray
And you say you are blue

What're you gonna do?

I'll send the sun smiling through

I want to be happy
But I won't be happy

Till I make you happy too.

I can make you happy too.
