

Please, Mr. Sun

Doris Day

Talk to him please, Mr. Sun
Speak to him, Mr. Rainbow
And take him under your branches, Mr. Tree

Whisper to him, Mr. Wind
Sing to him, Mr. Robin
And Mrs. Moonlight, put in a word for me

Tell him how I feel
It shouldn't end this way
Since you are all his friends
He'll listen to whatever you have to say

Babble to him, Mr. Brook
Kiss him for me, Miss Raindrop
And watch to see they all do, please, Mr. Sun

Babble to him, Mr. Brook
Kiss him for me, Miss Raindrop
And watch to see they all do, please, Mr. Sun
