## **Shaking the Blues Away**

**Doris Day** 

There's an old superstition 'way down south Everybody believes that trouble won't stay If you shake it away

When they hold a revival way down south Everybody with care and trouble that day Tries to shake it away

Shaking the blues away, unhappy news away If you are blue, it's easy to Shake off your cares and troubles

Telling the blues to go, they may refuse to go But as a rule, they'll go if you'll Shake them away

Do like the voodoos do, listening to a voodoo melody They shake their bodies so, to and fro With every shake, a lucky break

Proving that there's a way to chase your cares away If you would lose your weary blues
Shake 'em away
