

## Should I Surrender?

Doris Day

Should I be fire or ice  
Should I be firm or tender  
Should I be bad or nice  
Should I surrender?

Shall I resist my heart  
Shall I deny its splendor  
Shall I insist we fight  
Should I surrender?

His pleading words so tenderly  
Entreat me  
Is this the night that love finally  
Defeats me

Should I avoid his touch  
Should I play a shy pretender  
Should I admit I'd much rather  
Surrender  
Surrender  
Surrender  
Surrender
