

## That Old Black Magic

Doris Day

Old black magic has me in its spell  
Old black magic that you weave so well  
Those icy fingers up and down my spine  
The same old witch craft when your eyes meet mine  
Same old tingle that I feel inside  
Then the elevator starts its ride

Down and down I go  
Round and round I go  
Like a leaf caught in a tide  
I should stay away but what can I do  
I hear your name and I'm a flame

Flame, flame of desire  
Only your kiss can put out the fire  
Oh you're the lover I have waiting for  
Your the mate that fate had me created for  
And everytime your lips meet mine

Down and down I go  
Round and round I go  
In a spin, lovin' the spin I'm in  
Under the old black magic called love  
In a spin lovin' the spin I'm in  
Under the old black magic called love  
In a spin lovin' the spin I'm in  
Under the old black magic called love  
I should stay away but what can I do  
I hear your name and I'm a flame

Flame, flame of desire  
Only your kiss can put out the fire  
Oh you are the lover I have waited for  
Your the mate that fate had me created for  
And everytime your lips meet mine

Down and down I go  
Round and round I go  
In a spin, lovin' the spin I'm in  
Under the old black magic called love
