

The Inch-worm

Doris Day

Inch worm, inch worm
Measuring the marigolds
You and your arithmetic
You'll probably go far

Two and two are four
Four and four are eight
That's all you have on your business-like mind
Two and two are four
Four and four are eight
How can you be so blind?

Inch worm, inch worm
(Two and two are four)
Measuring the marigolds
(Four and four are eight)

You and your arithmetic
(Eight and eight are sixteen)
You'll probably go far
(Sixteen and sixteen are thirty-two)

Inch worm, inch worm
(Two and two are four)
Measuring the marigolds
(Four and four are eight)

Seems to me, you'd stop and see
(Eight and eight are sixteen)
How beautiful they are
(Sixteen and sixteen are thirty-two)

Two and two are four
Four and four are eight
Eight and eight are sixteen
Sixteen and sixteen are thirty-two

Inch worm, inch worm
(Two and two are four)
Measuring the marigolds
(Four and four are eight)

Seems to me, you'd stop and see
(Eight and eight are sixteen)
How beautiful they are
(Sixteen and sixteen are thirty-two)
