

# The Inch-worm

Doris Day

Inch worm, inch worm  
Measuring the marigolds  
You and your arithmetic  
You'll probably go far

Two and two are four  
Four and four are eight  
That's all you have on your business-like mind  
Two and two are four  
Four and four are eight  
How can you be so blind?

Inch worm, inch worm  
(Two and two are four)  
Measuring the marigolds  
(Four and four are eight)

You and your arithmetic  
(Eight and eight are sixteen)  
You'll probably go far  
(Sixteen and sixteen are thirty-two)

Inch worm, inch worm  
(Two and two are four)  
Measuring the marigolds  
(Four and four are eight)

Seems to me, you'd stop and see  
(Eight and eight are sixteen)  
How beautiful they are  
(Sixteen and sixteen are thirty-two)

Two and two are four  
Four and four are eight  
Eight and eight are sixteen  
Sixteen and sixteen are thirty-two

Inch worm, inch worm  
(Two and two are four)  
Measuring the marigolds  
(Four and four are eight)

Seems to me, you'd stop and see  
(Eight and eight are sixteen)  
How beautiful they are  
(Sixteen and sixteen are thirty-two)
