

Twinkle Lullaby

Doris Day

Twinkle twinkle stars are in the sky
Time to sing a lullaby
Sing you a song of a toy balloon
Sailing all around the Moon

Twinkle twinkle 'cross the Milky Way
Where the stars come out to play
Sailing along where the moon light beams
A toy balloon in a land of dreams

Go to sleep and very soon
You'll be like that toy balloon
Deep in dreamland far beyond the sky
Twinkle twinkle twinkle hush-a-bye

Deep in dreamland far beyond the sky
Twinkle twinkle twinkle hush a bye
Twinkle twinkle hush a bye
Twinkle hush a bye
