

With a Smile and a Song

Doris Day

Don't let little worries grieve you
If you wear a smile
You'll discover that they'll leave you
In a little while
Don't let little clouds upset you
Start right in to sing
Don't let little showers fret you
They don't mean a thing

With a smile and a song
Life is just like a bright sunny day
Your cares fade away
And your heart is young

With a smile and a song
All the world seems to waken anew
Rejoicing with you
As the song is sung

There's no use in grumbling
When raindrops come tumbling
Remember, you're the one
Who can fill the world with sunshine

When you smile and sing
Everything is in tune and it's spring
And life flows along
With a smile and a song

When you smile and sing
Everything is in tune and it's spring
And life flows along
With a smile and a song

All the world seems to waken anew
Rejoicing with you
With a smile and a song
