## **East Meets West**

Killing time Watching signs I'm waitin' See on the other side of town I've seen the walls come tumblin' down So I've come here to make you shake

So get up get up, get up get up Oh come on, come on, Come on why don't you come on

When east meets west There's gonna be one hell of a mess When east meets west There's gonna be one hell of a mess When east meets west

There's a finger on the trigger of a very troubled mind Working for the love of satan There's no blisters on his fingers There's no blood on his clothes But I've seen the world that he's been makin'

So get up, get up, get up, get up Oh come on, come on, come on, why don't you come on

When east meets west There's gonna be one hell of a mess When east meets west There's gonna be one hell of a mess When east meets west

So get up, get up, get up, get up Oh come on, come on, come on

When east meets west There's gonna be one hell of a mess When east meets west There's gonna be one hell of a mess When east meets west

When east meets west There's gonna be one hell of a mess When east meets west There's gonna be one hell of a mess When east meets west Doro
