

Heartbroken

Doro

And I'm lost, I'm lost, I'm lost and I'm lost in the night
(So long, so long, so long)
I'm so lost without you that I'm dying inside
I see only darkness, can't go on dreaming
Can't go on dreaming no more

When you're heartbroken only love can heal
Love by someone who can really feel
Heartbroken and you're never free
You're heartbroken, I'm going on

For so long, so long, so long, it cuts like a knife
It cut me forever deeper inside
Yeah, I know these feelings, was many times bleeding
Many times bleeding before

When you're heartbroken only love can heal
Love by someone who knows how it feels
Heartbroken only love can heal
Heartbroken, ongoing
Heartbroken and you're on your knees
You're heartbroken, ongoing
Heartbroken and you're never free
Heartbroken, I'm going on

Pain for too long
It can't be undone
I'm going on

When you're heartbroken only love can heal
Love by someone who knows how it feels
Heartbroken and you're never free
Heartbroken, ongoing
Heartbroken only love can heal
You're heartbroken, ongoing
Heartbroken and you're on your knees
You're heartbroken, I'm going on
