

## Little Headbanger (Nackendrecher)

Doro

We got heart, we got soul  
We got rock'n'roll  
Things get hard, life gets low  
We can take no more  
Turn it up, let me go  
Let's enjoy a show  
Wake me up, let me go  
Shake me up, let me go

Live it up in endless pain  
Live it up everyday  
A blood and anger  
Little headbanger  
Live it up in every way  
We live it up in endless pain  
Live it up everyday  
Schöner kleiner echter  
Schöner Nackendrecher  
Live it up in every way

Work so hard, work loo long  
Just to make, a living  
Life's too short in a rut  
No you will not fit in  
Hanging loose, keep it cool  
Need a new beginning  
Turn it up, let me go  
Shake it up let it go

Live it up in endless pain  
Live it up everyday  
Ein schöner Nackendrecher  
Gibt's kein Kostverächter  
We live it up in every way
