

Love Breaks Chains

Doro

We stay together, strong as steel
With love, and live for what is real
No one could ever do us harm
We've stayed the same, yeah

A strong man army, love and lust
Yeah, love can break a broken trust
No matter what you find or have lost
You don't give up

Standing up for what you feel
Fighting hard, never leave
You know we're armed with sacred love
That you can feel
'Cause love breaks chains, yeah
'Cause love breaks chains
'Cause love breaks chains, yeah
'Cause love breaks chains
Love and pain
'Cause love breaks chains, chains

We're never losing sight or hope
We're always praying just for good
We'll fight for freedom, human rights
An endless fight, yeah

We don't grow tired, never stop
We don't lose track, no matter what
Yeah, Heaven's with you, on and on
And all along

Standing up for what you feel
Fighting hard, never leave
You know you're armed with sacred love
That you can feel
'Cause love breaks chains, yeah
'Cause love breaks chains
'Cause love breaks chains, yeah
'Cause love breaks chains
Love and pain
'Cause love breaks chains

'Cause love breaks chains, yeah
'Cause love breaks chains
'Cause love breaks chains, yeah
'Cause love breaks chains
Love and pain
'Cause love breaks chains, yeah
'Cause love breaks chains
'Cause love breaks chains, yeah
'Cause love breaks chains
Love and pain
'Cause love breaks chains, chains, chains, chains
