

Turn it up

Doro

Yeah I was trouble, a little girl
I knew that I was gonna change the world
Put on my leather, tattooed by skin
That's where it started, where my story begins

Little by little, step by step
I gave it all and I'm not done yet

Turn it up, let's make it loud
Turn it up, come on and shout it out
Turn it up, let's turn it upside down
Turn it up, turn it up, turn it up

I've been a sinner, I've been a saint
I've been bad but it felt so great
Out of control, out of my head
But I remember everything that I said

I rule the ruins, don't you forget
I'm tight to metal and I'm not done yet

Turn it up, let's make it loud
Turn it up, come on and shout it out
Turn it up, let's turn it upside down
Turn it up, turn it up, turn it up

Out of my money, almost down and out
Crawled in the dirt to life, found my way out

I got no limits, I got no regrets
I wanna rock and I'm not done yet

Turn it up, let's make it loud
Turn it up, come on and shout it out
Turn it up, let's turn it upside down
Turn it up, turn it up, turn it up

Turn it up (Turn it up louder)
Turn it up (Let me feel the power)
Turn it up (Turn it up louder)
Turn it up (It'll only make me stronger)
Turn it up (Turn it up louder)
Turn it up (Let me feel the power)
Turn it up (Turn it up, no no)
Turn it up (It'll only make me stronger)
Turn it up (Turn it up louder)
Turn it up (Let me feel the power)
Turn it up (Turn it up louder)
Turn it up (It'll only make me stronger)
Turn it up (Turn it up louder)
Turn it up (Let me feel the power)
