

# After Midnight

Dorothy

Ooooh, after midnight!

Whoah!  
Set me on fire  
Whoah!  
Kerosine eyes  
Whoah!  
Lookin' right through me  
Sellin' my soul for one night  
Whoah!  
Doin' me dirty  
Whoah!  
Tellin' me lies  
Whoah!  
You are not worthy  
Tellin' myself it's the last time

Cuz nothin' good comes after midnight  
Ain't no good love comes from pain  
Whoah whoah!  
Nothing good comes after midnight  
Ooooh!  
When you play the devil's game  
Ooooh, after midnight

Whoah!  
Draggin' me under  
Whoah!  
Cuttin' me down to the bone  
Whoah, we're standing on the edge  
Fallin' for a rollin' stone

Cuz nothing good comes after midnight  
Nothing good, nothing good  
Ain't no good love comes from pain  
Whoah, oooh  
Nothing good comes after midnight (nothing good)  
Ooooh  
When you play the devil's game  
Ooooh, after midnight

Whoah!  
Cuz nothing good comes after midnight  
Nothing good comes after midnight  
Ain't no good love comes from pain  
Ain't no good love comes from pain  
Nothing good comes after midnight  
Nothing good (oooh)  
When you play the devil's game  
Ooooh, after midnight
