

Ain't Our Time To Die

Dorothy

I've been obsessed
Seducing your mind
With all my inner demons
Prove that I've fine

You've got to believe me baby
(You've got to believe)
You've got to believe me baby
(You've got to believe)
You've got to believe me baby
(You've got to believe)
You've got to believe me baby
(You've got to believe)

Ain't our time to die, oh-whoa
It ain't our time to die, ah

I talk to myself, uh-uh
And it always sounds sweet
Uh, caught up in the balance
It's no good and it rapes everything, oh

You've got to believe me baby, yeah yeah
(You've got to believe)
You've got to believe me baby
(You've got to believe)
You've got to believe me baby
(You've got to believe)
You've got to believe me baby
(You've got to believe)

It ain't our time to die

I swear the heart
Gets warmer with wine, mmh
Got mountains to move
So this better be the last time

I've been bitter and angry, yeah
Can't be like everyone else
So I hang on, hang on to the bottom
'Cause I go down, I go down by myself, oh

You've got to believe me baby, yeah
(You've got to believe)
You've got to believe me baby
(You've got to believe)
You've got to believe me baby
(You've got to believe)
You've gotta believe me baby
(You've got to believe)

It ain't our time to die, oh-whoa
It ain't our time to die, ah
It ain't our time to die, ah
No it ain't our time to die, uh

You've got to believe me baby, oh
It ain't our time to die, oh-oh
You've got to believe me baby, uh-yeah
You've gotta believe me, uh
