Flawless

Dorothy

You said you loved me but you threw me out in the garbage
Now I'm starting to stink but everybody thinks I'm flawless
Listen to me, I can't be what you want me to
I just came like this, I'm already black and blue

You said you loved me but you put my shit on the sidewalk
You like it when I fall and you laugh when I run into the wall
You gave nothing, I put my heart out on the table
I wasn't always willing but baby I was always able, yeah

I'm... slipping into some kinda feeling
Got me believing
I'm... coming out of all of the darkness
Now that I'm flawless

You said I was the one but you married someone half your age
She's a groupie ex-girlfriend with a plastic face
And you said you'd never go back to an old flame
Well it's gonna make you sick when everybody hears my pain, yeah, yea
h, oh

I'm... slipping into some kinda feeling
Got me believing, baby
I'm... coming out of all of the darkness
Now that I'm flawless

Now that I'm

Can you feel it
Can you feel it, yeah
Can you feel it
Can you feel it, yeah
Can you feel it
Can you feel it, yeah
Can you feel it
Baby, can you feel it, yeah

I'm... slipping into some kinda feeling
Got me believing, baby, yeah
I'm... coming out of all of the darkness
Now that I'm flawless

Now that I'm
Can you feel it baby?
Now that I'm
Oh, can you feel it baby?
Can you feel it, yeah
Can you feel it, yeah
Can you feel it, yeah, oh
Now that I'm flawless
