

Get Up

Dorothy

So long fire, best you learn
Can't get higher 'til it burns
Pain and power, Hell on Earth
Hell on Earth

Get up! Get on up!
Get up! Get on up!
Stay on the dream, oh the dream!
Man on fire, soul survivor yeah

Blood moon rising, glory rolls
Got no money, Heaven knows
Keep believin' they will come
They will come

So get up! Get on up!
Get up! Get on up!
Stay on the dream, oh the dream!
Man on fire, soul survivor, yeah

Man on fire, soul survivor, yeah

Oh yeah!
Ooh! Whoo!
Whoo!

Ooh man on fire, soul survivor, yeah!
