

# SUPERHUMAN

Dorothy

There's a reaper on my back  
Tryna string me up  
Shoot me dead and bleed me dry  
Looking like a ghost  
Crawling in the dust  
Am I getting out alive?

The hellhounds are chasing  
The vultures are waiting  
The demons are laughing at me  
But hell is a liar  
'Cause you take me higher  
Than I ever thought I could be

Rain down like fire from Heaven  
Raised up by Amazing Grace  
Standing on top of the mountain  
Got me feeling superhuman

I'm flying, I'm rising  
I'm bulletproof, never dying  
Now you're giving me the power, gonna use it  
Got me feeling superhuman  
I'm feeling, I'm feeling  
I'm feeling superhuman

There's a devil in my dreams  
Tearing me apart  
He don't wanna let me go  
His hands around my neck  
His gun is in my mouth  
He wants a bullet in my soul

Now evil is creeping  
The poison is seeping  
Deeper down into my veins  
Asking forgiveness  
Can I get a witness?  
Then I hear you calling my name

Rain down like fire from Heaven  
Raised up by Amazing Grace  
Standing on top of the mountain  
Got me feeling superhuman

I'm flying, I'm rising  
I'm bulletproof, never dying  
Now you're giving me the power, gonna use it  
Got me feeling superhuman  
Yeah, yeah, superhuman  
Oh, superhuman

Rain down like fire from Heaven  
Raised up by Amazing Grace  
Standing on top of the mountain  
Got me feeling superhuman

I'm flying, I'm rising  
I'm bulletproof, never dying  
Now you're giving me the power, gonna use it  
Got me feeling superhuman  
I'm feeling, I'm feeling  
I'm feeling superhuman  
I'm feeling, I'm feeling  
I'm feeling superhuman
