

We Need Love

Dorothy

I walk alone, sun scorching my soul
Let it rain on my heartache, yeah
Search in vain, free and easy pain
The kind that makes you numb and leaves you broke, oh
I am married to let me go, oh
Show me heaven, show me home, oh

'Cause I need love, love, love, love, love
Give me love, love, love, give me love
We need love, love, love, love, love
Show me love, love, love, show me love!

Don't dance with me
Danger lives and danger breathes
You can't trust a snake out of a ring, yeah
Waiting on the world
Live and [?]
My life is in your hands and I'm at your feet, yeah, yeah
I see ocean, I see boat, oh
I see a dead man on his throne, woah

I need love, love, love, love, love
Give me love, love, love, give me love
We need love, love, love, love, love, oh yeah
Show me love, love, love, show me love!

We need love, love, love, love, love
I need it, you need it, you need love
'Cause we need love
Yeah, listen to me, you need it, you need love

I need love, love, love, love, love, yeah
Give me love, love, love, give me love
We need love, we need love, I need love
Give it to me, I need love and you need love
Show me love!
Yeah yeah
Show me love, yeah, I need love
