

Backyard Party

Dorrough

We got plenty shots of vodka and whisky
Backwoods smoking like a fire get lifted
Yeah Buddy we gon party til the sun comes up
Yeah it's going down when you see the big trucks
Come on over to the backyard party
Plenty kegs of beer at the backyard party
Pretty pretty models at the backyard party
You know it's going down at the backyard party

You know it's going down if you didn't know now you know tell ya people
Issa celebration yea I'm back again this time for the sequel
I'ma pull-up fresh faded fresh fitted flyer than a eagle
My lady say I look the best and I believe her
The sun out it's hotter than a sauna

The DJ got it jumping like Jordan
Shots on shots James Harden
Changing it up like wild cards
