

# Uptown

Dorrough

Crème de la Mer skin popping I been living good  
Back at home now I like to call it modern Hollywood  
If I got a lady with me just know that its understood  
She gon help me make a lot of money like a woman should  
She gon want a lemon drop or spicy margarita  
I just wanna little bit of sprite in my tequila  
I been grinding you couldn't walk a mile in my Adidas  
I been working out drinking water by the liter  
Drinking water out a glass  
Alkaline 9.5 when I splash  
I don went James Bond GQ Mag  
Shorty on my line say she wanna link fast  
If she ain't talking bout a good time I'll pass  
Even though she bad  
Model on the runway  
Surprised she ain't already somebody fiancé  
Right now I'm too busy maybe someday  
Til then everyday a Sunday funday  
So I'm bout to hit

Uptown  
(Yessir)  
Uptown  
Had a hard week it was long I need a drink so that's the 1st thing that ima  
do when I touchdown  
(Go, Go driver)  
Uptown  
(Yea Let's hit)  
Uptown  
Spent alot of time on the grind doing work but it all paid off 10 fold cause  
we up now

Eating 5 star meals  
I been on a hit streak locking in deals  
Blue kamikaze with the sugar on the rim  
Looking for a spot where I can indoor swim  
Gotta couple hours  
Then I gotta holla at my folks  
Got my mind right that what's keeping everything afloat  
Had to put it all together they was sleeping I was woke  
And now the time right everything a go

Catch me on the move and I'm chunking up the deuce  
I be lowkey but I'm never out the loop  
I just saw the play and then threw the alley oop  
And I got a Tropikana deal cause they know I got the juice  
Just like the fruit  
Just like the movie  
I been on the grind every since I was a juvie  
You know it's paying off when the baddies start choosing  
Met one Monday  
Hit it on Tuesday

Hit it out the park Texas Rangers ought to sign me  
If we talking business then you know where you can find me  
If you wanna see the real win and the fake get replaced in this world then y  
ou better get behind me

Time to get grimy  
That part is critical  
I been on a clean diet tryna get my minerals  
I been making moves but I still ain't hit my pinnacle  
Got so many stripes if this was war I'll be a general  
Got so many stripes cause I stayed true to the game  
If you want respect on yo name you should do the same  
If you want attention over respect  
You a lame  
Just know when yo plans don't work oh yea you the blame  
Me I ain't new to fame so I know what clout do  
I believe in words so you know I know what rap do  
Never play ya cards too fast unless you have to  
These are just thoughts on my mind while I'm living in my prime  
Spent a whole lot of time today in

Uptown  
(Yessir)
