

# M'aidez Call

Dot Allison

The love song  
Unmistakably you  
This love song  
Unforgettable you

This song  
With its own memory  
Of you  
And only you

Binds two to one  
An invisible thread  
That loops around the moon  
Back to earth

Because you answered my m'aidez calls  
?  
?  
You're my lover  
Answering my m'aidez calls

The love song  
The language of devotion  
Telling tales upon the heart  
Tales of two apart

This melody  
Like a band aid  
Since we lay together  
We're like harmony entwined  
Since we lay together  
We're like harmony entwined

Because you answered my m'aidez calls  
?  
?  
You're my lover  
Answering my m'aidez calls  
My m'aidez calls

Our love song is a m'aidez calls  
?  
Our love song is a m'aidez calls  
?
