

Mo' Pop

Dot Allison

You travel through my blood
Coursing through my veins
And today
The memory
Like a shadow
I can't shake

La premiere rencontre est arrivée
Pense À moi
Le silence de la mer (mort?)

I confess you've got a hold on me
But I never fall this easily

Your history seems to
Shroud you like a plague
And you wonder why
This thought keeps you awake

I never asked you
To step inside my skin
I let you stay here
Haunting me within

La premiere rencontre est arrivée
Quelque fois tu me causes
Pense À moi
Toujours
Pense À moi
Le silence de la mer (mort?)

I confess you've got a hold on me
But I never fall this easily

I confess you've got a hold on me
But I never fall this easily
