You travel through my blood Coursing through my veins And today The memory Like a shadow I can't shake

La premiere rencontre est arrivée Pense à moi Le silence de la mer (mort?)

I confess you've got a hold on me But I never fall this easily

Your history seems to Shroud you like a plague And you wonder why This thought keeps you awake

I never asked you To step inside my skin I let you stay here Haunting me within

La premiere rencontre est arrivée Quelque fois tu me causes Pense à moi Toujours Pense à moi Le silence de la mer (mort?)

I confess you've got a hold on me But I never fall this easily

I confess you've got a hold on me But I never fall this easily
