

All Night

Dot Dot Curve :)

Wait a minute!

Let's get this party goin' (Goin'), let's get this shit poppin' (Poppin')

Let's get this party goin' (Goin'), let's get this shit poppin' (Poppin')

We are not stoppin' (Stoppin'), we are not stoppin' (Stoppin')

This night just got started (Started), let's get restarted (Yeah)

This night just got started, let's get restarted

Let's get restarted, let's get restarted

This party just got started, let's get restarted

Let's get restarted, let's get restarted

We came to party, right? (Right) Let's party all night (All night)

So grab your baby tie (Tie), what's on her mind tonight? (Tonight)

Drink a [?] a little (A little), taste Cîroc with Sprite (Sprite)

Just drink a [?] a little (A little), taste Cîroc with Sprite (Sprite)

Baby don't try to leave me on

I wanna know what's really on your mind tonight?

I'm not sure if it's real or not

All of a love, so tell what's on your mind tonight

Wait a minute!

What's on your mind tonight? (Tonight)

You know what mine is right? (Right)

I'm tryna [?] your tie (Your tie), get party all night (All night)

What's on your mind tonight? (Tonight)

You know what mine is right? (Right)

I'm tryna [?] your tie (Your tie), and love you all night (Night)

Wait a minute!

You got friends of friends (Yeah), shots in our hands (Our hands)

So send me invite (Invite), to see the flashin' lights (Lights)

I see you in those ties (Those ties), super skin tight (Tight)

And luck for the night (The night), that asses just my type (My type)

It makes me wanna bite (Bite), makes me wanna wife (Wife)

Bride, [?] strike, I give you pipe (Pipe)

Yes, fashion flight (Ha), you're a quite a sight (A sight)

Get me all exite (Exite), you'll be my appetite (Appetite)

Baby don't try to leave me on

I wanna know what's really on your mind tonight?

I'm not sure if it's real or not

All of a love, so tell what's on your mind tonight

Wait a minute!

What's on your mind tonight? (Tonight)

Do not leave me on (Me on)

I'm tryna make you mine (You mine), but I can't read your mind (Your mind)

What's on your mind tonight? (Tonight)

Do not leave me on (Me on)

I'm tryna make you mine, my number one fine (Yeah)

My number one fines (Fines), me and you combines (Combines)

Let's enter[?], you're not [?]

No back, no rewind, this asses mine

The body fine, you got me on cloud nine (Yeah)

You're not a decline, I know you see the signs (Signs)

This liquor got me lit (Lit), you with me legit (Legit)

My number one chick (Number one), with you I'll never quit (No)

With you I'll never quit (Nuh-uh)

Now come and take a sip in my whip

Let's leave this shit, makin' it split

Baby don't try to leave me on
I wanna know what's really on your mind tonight?
I'm not sure if it's real or not
All of a love, so tell what's on your mind tonight
