

# Apathetic

Dot Dot Curve :)

Let's get started  
I've been drowning over you  
Know I'm a target  
I'm a target  
Please don't start shit  
There's no need to talk  
No need to think about it  
Think about it

You say you're gonna stay  
Yea I doubt  
Think I'm over it  
I'm over it  
I can't handle the things you're putting me through  
Putting me through

I be going back and forth with you girl  
You're giving up your heart I wanted you all  
I'll be comin over don't start no shit  
Wanted me to quit

I be going back and forth with you girl  
Giving up your heart I wanted you all  
I'll be comin over don't start no shit  
Wanted me to quit

I be going back and forth with you  
Now we're in it  
There's no going back to the beginnin  
The beginnin  
Going in circles now I'm spinnin  
That hole in the ground  
Hole in the ground

Keep on diggin  
Keep on diggin  
I thought we were one I think that we're done  
I think that we're done  
I think that we're done  
I think that we're done

I think that we're done  
I think that we're done  
I think that we're done

I be going back and forth with you girl  
You're giving up your heart I wanted you all  
I'll be comin over don't start no shit  
Wanted me to quit

I be going back and forth with you girl  
Giving up your heart I wanted you all  
I'll be comin over don't start no shit  
Wanted me to quit

I be going back and forth with you
