

B-E-a-Utiful

Dot Dot Curve :)

She read me a note he left on her bed
Snuck in her room right after she left
And put petals on the ground
Her head on his shoulder, they walk down the hall
I'm left to wonder, will I ever fall in love?
And where is he now?

She's with him, I'm in the backseat
Know it's not right, but it hurts when they're laughing
I've never been where they are

I wanna be blown away, wanna be swept off my feet
I wanna meet the one who makes it hard for me to breathe
I wanna be lost in love, I wanna be your dream come true
Wanna be scared of how strong I feel for you
Just call me beautiful, call me beautiful
Call me beautiful, call me b-e-a-utiful

Friday night, she wore his jersey to the game
In the front row, screaming out his name
As he turns to her and smiles
Everywhere I look, people holding hands
When am I gonna get my chance at love?
My chance at love

Cause she's with him, I'm still hurting
Try to pretend but it's not working
I just wanna be where they are

I wanna be blown away, wanna be swept off my feet
I wanna meet the one who makes it hard for me to breathe
I wanna be lost in love, I wanna be your dream come true
Wanna be scared of how strong I feel for you
Just call me beautiful, call me beautiful
Call me beautiful, call me b-e-a-utiful

My heart is waiting for your love
My hand is waiting for your touch
My lips just wanna be kissed by you

I wanna be blown away, wanna be swept off my feet
I wanna meet the one who makes it hard for me to breathe
I wanna be lost in love, I wanna be your dream come true
Wanna be scared of how strong I feel for you

Just call me beautiful, call me beautiful
Call me beautiful, call me b-e-a-utiful
Beautiful, call me beautiful
Call me beautiful, call me b-e-a-utifu
