[Jayreck:]
Talk a lotta shit, but I ain't crunk
Everything we do is the slam dumb
Broken glass on the floor, that messed up
That's why we tell 'em all to shut the fuck up

That's why I tell 'em all: "Shut the fuck up!"
That's why I tell 'em all: "Shut the fuck up!"
That's why I tell 'em all: "Shut the fuck up!"
