

# Birfday

Dot Dot Curve :)

It's your birthday  
It's your birthday (It's your fucking birthday)  
It's your birthday  
It's your birthday

Drinkin' glass of shot [?], it's your birthday  
Smoke a blunt, fade away, it's your birthday  
You too fuck what they said, it's your birthday  
Fuck it, acting fool, get cray, it's your fucking birthday  
It's your birthday, it's your birthday  
Fuck it, acting fool, get cray, it's your birthday  
It's your birthday, it's your birthday  
Fuck it, acting fool, get cray, it's your birthday

I'm party out of witch, bitches house, cause it's a birthday  
I turn that bitch straight out, cause it's a birthday  
I illustrate out, cause it's a birthday  
Now I'm taking all the shots, like it's a birthday  
I'm drinking that bitches liquor, yeah, I'm drinking Debbie's liquor  
Yeah, I'm licker, she starts it up lit, but I start quicker  
So drunk by, I don't remember, but all I know it's I demonstrate in the lips  
Yeah, you take it how you wanna, walking nose tips like I rock marijuana  
All in her mouth, she takes it how I give a going hard in that pussy like a  
Hammer, bitch  
Calm down, it's your fucking birthday, it's time to get lay

Drinkin' glass of shot [?], it's your birthday  
Smoke a blunt, fade away, it's your birthday  
You too fuck what they said, it's your birthday  
Fuck it, acting fool, get cray, it's your fucking birthday  
It's your birthday, it's your birthday  
Fuck it, acting fool, get cray, it's your birthday  
It's your birthday, it's your birthday  
Fuck it, acting fool, get cray, it's your birthday

It's your birthday, take a shot like you in it  
And be having all, do it again like your always playin'  
That's me tonight, it's time to party  
Take shots to make you feel right  
All night take flights till you have blurry eyes  
I get high in the sky, like the Better sit [?], cause I'm about to ignite  
Take a hit, pass it to the right  
Jump off the Go crazy till you hit the ground  
The speakers blowin' out, bodies carry new  
Gives a fuck, I'm staring this, party lived up  
With sparing new [?], catch a glims  
Keep jumping like you hop in the fucking (Like you hop in the fucking [?])

Drinkin' glass of shot [?], it's your birthday  
Smoke a blunt, fade away, it's your birthday  
You too fuck what they said, it's your birthday  
Fuck it, acting fool, get cray, it's your fucking birthday  
It's your birthday, it's your birthday  
Fuck it, acting fool, get cray, it's your birthday  
It's your birthday, it's your birthday  
Fuck it, acting fool, get cray, it's your birthday
