He-Man, ski mask
Spending next week's cash, he fast
And I don't even need a G pass, I'm past that
I'm passing 'em out now, and you can't have that
And my chain, Toucan Sam that
Tropical colors, you can't match that
Gotta be abstract
You catch my girl legs open, better smash that
Don't be surprised if she ask where the cash at
I see she wearing them jeans that show her butt crack
My girls can't wear that
Why? That's where my stash at
I put my mack down, that's where you lack at
She need her candle lit, and I'mma wax that
(Wax that, wax that, wax that, wax that)
Mama, gimme that brain, mama, gimme that good
'Cause I'm the fireman, you hear the fire truck
