

Good Night

Dot Dot Curve :)

I got my swag tight, money right
Got the kush roll, it's a good night
It's a good night, it's a good night
Hold for this money, I'm 'bout to I got my swag tight, money right
Got the kush roll, it's a good night
It's a good night, it's a good night
Make it down low, I'm talking alibis

Middle fingers to the sky, kush, blunt, roll
Don't spoil your mind high, it's a good night
Might knew to catch you flies, see the stars shine
Cause I'm bright and I'm like good night, party right
Cause I'm write just and I might just never sleep
Party all night till I pass out
And hit the concrete, that's a good night
Let me pass it to my bro and he can take it right

I'ma motherfucking chill dude, it's a good night
Every night because we chill on the black lights
Yeah, I put my pinkie up when I drink
Because I'm drink classic, when I'm rapping on the beat
Yeah, it's gonna get nasty, take another shot, make two
Gotta get it light, because we got some shit to burn, dude
Got me in the good mood
Eyes red, better cook me up some food, cause that's how we do

I got my swag tight, money right
Got the kush roll, it's a good night
It's a good night, it's a good night
Hold for this money, I'm 'bout to I got my swag tight, money right
Got the kush roll, it's a good night
It's a good night, it's a good night
Make it down low, I'm talking alibis

Straight kush, bitch, that's what we on
Groupies all up in my face, they be like Demi And they never wrong, smoking
up the Pass me the [?], Veto, pass me the bong
Swag tight, money right, down right
Luke Skywalker with the force, go bites
Pass me the [?], cause I need a light
Then take me get hit, pass it to the right

Now I got my money right, bad bitch a hella tight
Mary fucking Jane hit my packet, got me smellin' right
Let's take another flight, let's take another flight
Hands in the air if you feelin' right
Let's grab another dyke, yeah, you know I fuck her right
So I like it when she bite, nasty like a homicide
Fuck talkin' terabyte, bitch, we pushin' Higher than a motherfucker, yeah, y
ou know that's pimp yo ride

I got my swag tight, money right
Got the kush roll, it's a good night
It's a good night, it's a good night
Hold for this money, I'm 'bout to I got my swag tight, money right
Got the kush roll, it's a good night
It's a good night, it's a good night

Make it down low, I'm talking alibis
