

Got Sauce On My Checkered Vans

Dot Dot Curve :)

Peekaboo...

Look at me
What do you see
A freak, a freak, freak, freak
All eyes on me
All eyes on me
All eyes on me
You think I care
Suck a dick
S on my chest
I'm the sex bitch
You think I care
Suck a dick
S on my chest
I'm the sex bitch

You think I give a shit, but I don't
You think I care one bit, but I don't
Talking out the side of your neck
Talking while I'm out here cashing checks
Scene kid
I'm a fucking scene kid
I never change
Na, na, na

Oh my god
I like your vans
Those are pretty sweet
Nice skinny jeans
Is that a band tee
Oh my fuck

Look at me
What do you see
A freak, a freak, freak, freak
All eyes on me
All eyes on me
All eyes on me
You think I care
Suck a dick
S on my chest
I'm the sex bitch
You think I care
Suck a dick
S on my chest
I'm the sex bitch

I'm the sex bitch
I'm the yes bitch
I'm the freak kid
I'm the weird kid
Stop and stare everywhere I go
Stop and stare like it's a freak show
Scene kid
I'm a fucking scene kid
I never change

Na, na, na, na, na

Holy shit
Your hair is on fire
Look at those layers
Is it blonde and black
That is insane

Look at me
What do you see
A freak, a freak, freak, freak
All eyes on me
All eyes on me
All eyes on me
You think I care
Suck a dick
S on my chest
I'm the sex bitch
You think I care
Suck a dick
S on my chest
I'm the sex bitch
