

I Don't Wanna

Dot Dot Curve :)

I don't even wanna go to heaven
Cause all my friends are going to hell
I don't even wanna go to heaven
Cause all my friends are going to hell
I'm try to [?], don't give me the fall!
(Cause all my friends are going to hell)
I'm try to [?], don't give me the fall!
(Cause all my friends are going to hell)

Yeah, I don't even rather go to heaven
I'm [?] of my friends and my friends I'm going to hell
Where's your guy? I'm that dude on the cross
Bleeding from the nail, be a bad guy, yeah
Burn shit down, sip one from a holy grill
Put the magic dragon in health elixir
I'm tellin' all you're kids what to do
Fuck your parents, [?] him from the throat
On the rock, watch them crock
That's all she wrote, is ain't need a fuckin' world, go berserk
I'm the fuckin' devil and I'm here to do the devil's work
(I'm the fuckin' devil and I'm here to do the devil's work!)

I don't even wanna go to heaven (Yo!)
Cause all my friends are going to hell
I don't even wanna go to heaven
Cause all my friends are going to hell
I'm try to [?], don't give me the fall!
(Cause all my friends are going to hell)
I'm try to [?], don't give me the fall!
(Cause all my friends are going to hell)

The boys are back in town
And terror down the walls till your own fall (Yeah)
Chock a hock and some ruble, at you funny guys? (Yup)
Till you kid chock it (No)
It's all grave we do as we please (Right)
Runnin' the mall, we smart went crazy on repeat (Repeat)
Runnin' unicorn through the store (What's?)
I drop a horse to this verse, bitch (Yeah)
No regrets, no more verse, and curse since I first lived (Uh-huh)
Hell no, I can't split the team up (No)
If you not true, F you, scene-a (Bye-bye)
Go back to your sort, croon get a sponge bath
We the brooke kid, with the fire, blood bath (Fuck it, right?)

I don't even wanna go to heaven
Cause all my friends are going to hell
I don't even wanna go to heaven
Cause all my friends are going to hell
I'm try to [?], don't give me the fall!
(Cause all my friends are going to hell)
I'm try to [?], don't give me the fall!
(Cause all my friends are going to hell)

I don't even wanna go to heaven (I don't even wanna go to heaven)
I don't even wanna go to heaven (I don't even wanna go to heaven)
I don't even wanna go to heaven (I don't even wanna go to heaven)

I don't even wanna go to heaven (I don't even wanna go to heaven)
