Am I fucked up? Am I fucked up?

Am I fucked up, what can I say?  
You were fucked up, what can you say?  
One minute you love me

They say our love is toxic  
But we're yelling now bitch you can suck it  
They say our love is toxic  
State that and you choose but to suck it

I love you, you hate me

Am I fucked up? Am I fucked up?
