Do the splits, ha, do the splits, ha
Drop it down, all around, let me see your booty hit the ground
Assquake, milkshake, like a first date
You know I'm the man, hoe, I'm grate, hoe
You got this tatted up, pierce nose, weirdo
In your face saying: "Hello"
Now let me see that ass, wobble like some jelly
I like the way she do it, I like the way she movin'
Ass in my face, ain't got no [?], but it's grate
That's the conclusion, no contusion
All I do is win, ain't never losin' out

Just bust it down, don't stop, make my fuckin' jaw drop
Bust it down, don't stop, make my jaw drop
Bust it down, don't stop, make my jaw drop
Bust it down, don't stop, make my jaw drop
