

# Let Me Be

Dot Dot Curve :)

Just let me be, yeah, yeah, yeah  
Just let me be, yeah  
Yeah, just let me be, yeah

Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah

Fuck you, fuck you and fuck you  
I do what I wanna do, who the fuck are you?  
That's your fuckin' [?], and that's my fuckin' view  
I don't like you and you don't like who?  
I don't give a dang, just swingin' from my fuckin' Vans  
This bitch wanna bang and I'm a bang her for sec  
I said let's go, you already know  
I said let's go, you already know

Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah

Yeah, let me be like a bee Got my and 34 can't keep it when I'm run it  
You like some [?], get off my face you smell like onions  
Yeah, yeah, you nasty out of good, can't talk a Shriek or some  
What you doin' with my face? I'm tryna vibe  
I like everyone else, bitch get off my line  
You keep on testin' me, bitch, I'm like a pop Put my pants on to legs at the  
time

Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah

Just let me be me, I do what I want  
Crashed this fuckin' seat, play a game of stacs  
And it's all green, I get the clean fresh Vans  
With the hoodie like my coffee all black  
Look at me, have you seen? I'm obscene  
I'm on all of your fuckin' screen, I'm cold like ice  
With a side of fuckin' green  
You hate me? Hmm  
That's why I'm in your dream, it must be a nightmare a scene

Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah  
Let me be, let me be, let me be, yeah
