

Obscene

Dot Dot Curve :)

Yes yes yes everybody
We're here to revolutionize
And re-define the word scene
Guess who's baaaaaack
(Scene Kidz)

You ain't nheard nobody like this
(No no)
Crazy beats, Crazy flows like this (oh no)
Unforgettable, its the J-Reck man
And its comin right back with the Scene Kid van (What!?) (Done)

When you hear us on the track
Wanna press rewind
Cause you wanna play it back
(Well I wanted to fight)

Take a step back dude
You're about to find out
Why the girl left you

They'll be just getting to
Why I'm better than you
Got you jumpin' an screamin'
With SK
(Who? Who?)

Black bandannas
Hair straightners
Lip rings
Gotta have it or you ain't shit!

Rappin' again?
S-s-spittin' again with some
Spic-n-span

Spankies lookin fresh
With my checkered vans
Put my lip ring in

Put the pin in just spittin'
Trying to bring back up in
(Ahhh!) Bring em' back
Bring em' back (Ahh)
Bring em' back Bring em' back

Uh-oh Here we go
I'm about to play a surgeon
And do an operation
Carry my mask
For this nasty ass task
Cause the SK is back
And we're here to Attack
So don't try to hold em' back

Tap Tap, Knock Knock
Who is that, that's right (ha haaa)
We're Baaaackk!

Ends like a band
With a brand new name
Now I've got fluffy things
And a fucking lip ring
You can step it up
But to me you don't care
Cause if you're searchin' Europe
Its just not there

Listen you haters
I got a quarter in my hand
Take this quarter
And buy yourself a new life
Asshole (haaaa)
