Dot Dot Curve :)

Yeah yeah, yeah yeah, yeah yeah yeah yeah  
Yeah yeah, yeah yeah, yeah yeah yeah

I gave you everything, I'm talking everything  
Gave you all my love, even cured your pain  
When you needed me, I was by your side  
When I couldn't be, I would take a ride  
Got me fucked up now, thinkin' bout my past  
I was so in love then you smashed all that  
Would you take me back, would you take me back  
Ya I'm doubting that ya I'm doubting that  
Yeah yeah, yeah yeah, yeah yeah, yeah yeah

If I say something, would you listen  
ABC, you're all that I see  
One, two, three, you left me here to bleed  
La da da da, la da da da  
Leave me here to cry  
La da da da, la da da da  
Leave me here to die

Why did you leave me here to die  
My shattered dreams bleed as I cry  
All that I have left is a memory  
As I lay here alone my soul becomes a cemetery

If I say something, would you listen  
ABC, you're all that I see  
One, two, three, you left me here to bleed  
La da da da, la da da da  
Leave me here to cry  
La da da da, la da da da  
Leave me here to die

La da da da, la da da da  
Cry  
La da da da, la da da da  
Die  
La da da da, la da da da
