

# PartyOnTheMoon

Dot Dot Curve :)

Yeah, let's go

They call me "Shoo kid go away, shoo kid go away"  
I away cause I'ma freak  
What can I say? I took my rocket ship to the moon  
Like zoom! Like zoom! Like zoom! Like zoom!  
Party on the moon, I get my and start  
Then we get high, straight dumb, vodka shots  
Slow take it to head like a bong, blaster nine  
Get higher than a rocket ship to the moon like zoom! Like zoom!  
Me makin' rack like a media on fire, we don't care  
Worth get higher than the moon, cause we all the freaks lost  
In the fire lost, take your mind, I don't care you're, man

Party on the moon, bitch, we party on the moon  
Party on the moon, bitch, we party on the moon  
If we gotta couple bottles, then we party on the moon  
Party on the moon, bitch, party on the moon, bitch  
[?], bitch, we party on the moon!  
Party on the moon, bitch, we party on the moon!  
If we gotta couple blunts, then we party on the moon  
Party on the moon, bitch, we party on the moon, bitch, go!

All freaks ride with me, I'ma rocket ship  
Come party, fuck the world and fuck everyone  
Lip rings, smoke trees, dressed free, be  
Dude, you wanna be fucked at you  
Fingers up, fuck the world, fuck yourself, wanna hurt?  
I'm grab a bottle just to world, get crazy, rolled it up  
Get lazy, get with me, ride on my rocket ship  
Like zoom! To the moon like zoom!  
Ride on, let's party hard, make sure you are punk  
Fuck the haters if they [?], we look wild and freak  
Freak, freak, freak, we just being us  
Stop judging and party, party with us cause we...

Party on the moon, bitch, we party on the moon  
Party on the moon, bitch, we party on the moon  
If we gotta couple bottles, then we party on the moon  
Party on the moon, bitch, party on the moon, bitch  
[?], bitch, we party on the moon!  
Party on the moon, bitch, we party on the moon!  
If we gotta couple blunts, then we party on the moon  
Party on the moon, bitch, we party on the moon, bitch, go!

Talking to me dirty and we take you to the moon  
And every time I'm high here Spanky say: "Zoom!" (Zoom)  
Yeah, I'm in my rocket ship, take you to the moon  
And every time I'm in this I make 'em say: "Zoom!" (Zoom)  
They can't do what I can, so I say: "Shoo kid" (Shoo kid go away! Shoo kid go away!)  
Shoo slut go away and never ever comeback (No)  
To my handed and favorite and end up with this slut, bitch (Damn)  
I'm holding the dice and I throw my hand back (Back)  
Make them sitting at the table and I playing crack (Crack)  
I Envy, best bitch on the track (Uh-huh)  
So that's why it's me, not you, come my stacks (Uh-huh)

Party on the moon, bitch, we party on the moon  
Party on the moon, bitch, we party on the moon  
If we gotta couple bottles, then we party on the moon  
Party on the moon, bitch, party on the moon, bitch  
[?], bitch, we party on the moon!  
Party on the moon, bitch, we party on the moon!  
If we gotta couple blunts, then we party on the moon  
Party on the moon, bitch, we party on the moon, bitch, go!
