

# This Is Anarchy

Dot Dot Curve :)

Yeah, I came to fuck shit up  
Did my last show with the nice black Black shades on, didn't get to fucks  
Real berries, zig-zag, only cops warn up  
I left the club on the hit it  
Smoked on stage and the other did it  
Hotbox, no fuck machine  
Now we needed with stroak  
We came to burn this place  
Tell security get the fuck off my face  
We here to claim this place  
Tell security get the fuck off my face

Let's burn this place up!  
We came to fuck shit up  
Let's burn this place up!  
Somebody feel my cup  
We came to burn this place  
Tell security get the fuck off my face  
We here to claim this place  
Tell security get the fuck off my face  
Let's burn this place up!  
We came to fuck shit up  
Let's burn this place up!  
Somebody feel my cup  
We came to burn this place  
Tell security get the fuck off my face  
We here to claim this place  
Tell security get the fuck off my face

Yeah, I'm here to fuck shit up!  
Skinny jeans, snapback, I don't give no fucks!  
Rep comes blunts flame up  
Smoked up for up  
On stage blacked out, party  
White stroaks flashing in your face all night  
I got with the bitch with highlights  
Rep my Backstage and I hear like mine  
Tell security to shut the fuck up!  
We smoke in your face and we claim this place!  
Tell security to shut the fuck up!  
We smoke in your face and we claim this place!  
Let's tear this place up!  
Let's tear this place up!  
Let's tear this place up!  
Let's tear this motherfucking place!  
(We came to fuck shit up  
Somebody feel my cup)

We came to burn this place  
Tell security get the fuck off my face  
We here to claim this place  
Tell security get the fuck off my face

Let's burn this place up!  
We came to fuck shit up  
Let's burn this place up!  
Somebody feel my cup

We came to burn this place  
Tell security get the fuck off my face  
We here to claim this place  
Tell security get the fuck off my face

Get the fuck off my face  
Get the fuck off my face
