

## What Happened!?

Dot Dot Curve :)

Hahah, yo, tatted up, so tight ass pants, ears look like [?] put the dick in it, what the fuck? Now I said to that? Ah, fuck you man! My [?] dick feels fine of my skinny jeans and my ball died in, haha

"What the fuck happened?! Stands up, shut it!  
Skinny jeans like you gotta from your sister dressed up  
This is just [?], ears stretch, oh my God, what's next?!"  
Start the shut the fuck up, cause it's a party  
It's a party, it's a party, it's a party  
It's a party, it's a party, it's a party  
Let's get it bottle and then back to bottle  
Then shut the fuck up, cause it's a fucking party  
It's a party, it's a party, it's a party  
It's a party, it's a party, it's a party

Yeah, people stare like: "What the fuck happened?"  
Shitshut the fuck up, I'm partying  
Smoke a blunt, start chillin'  
Then takes some shots, get wild, do some dumb shit  
Yeah, let's get it crackin', stop staring  
Got my music blaring, now I'm the weird guy that stays high  
Chill in the clouds, I'm never look down  
Got to keep my head up, no time to drown  
Tatted up, brought drink bottle, no cup  
And [?] in my ears, cause I don't really care  
I don't really care, no I don't really care  
I don't really care, no I don't really care  
You go come here or come blare, right I got that swaged up  
You're the gear bitch, I'm the boss, no tie  
You're generic, soft like some fabric  
All my freaks let's get it poppin' and why they keep asking?

Then shut the fuck up, cause it's a fucking party

Yelling free, start this party up anything we touch  
Yeah, we got the right touch, insane, no bull  
Party but you wet like you drowning  
I'm out partying, clowning, different states, different hotels  
I don't give a hell no, I don't give a hell no, I don't give a hell no  
Wake up the next like: "What the fuck happened?"  
Same what you think when you see my fashion  
Bitch, call me Morgan, I'm the Captain  
Bitch, call me Morgan, I'm the Captain  
Skinny jeans down my [?], find it, yeah, my balls dying  
If you looking for a freak, I'm the one who see  
I'm the one that it's the freak [?]  
Like I said no time just give me my geeks  
Got are you normal? Got you why you're on my motherfucking [?]
