The boy takes cock, you've been sipping his drink
That's a violation but will P attack him?
While you was rapping, Blacks was mooning and spooning a man
You couldn't see the pattern
Who's really real? I can see shit well
Name's P Money, got all of this cash but sent none to help Little Dee in jail
No canteen for a week gets peak
You left man to rot with police in cells

Course he touched road, felt some type of way and he did a freestyle to redeem yourself
Ain't real to your boys, ain't real to the fans and claimed you're a OG, shit smells

Never been G checked, darg he's lying
You beg ends, then you begged crews too
You even said you're Shower, you can't deny it
Sanjay, Faker, Baker and Ridi had you scared in your boots like a charging riot
(Who's Shower now?)
Weren't singing that when he saw Sanjay in a car parked right by him
When Ridi jumped out the whip to put you in your place in the blue, you started crying
Went to a house party screaming it's on to Littles and [?], it's a par be quiet
You got G checked by the Antis and broke down like you got told that your marge is dying
If you're so bad, why didn't you bad man up then? Swear you said you're blasting iron?
Wiping the tears from your eyes when they left, bare stress
