

2000 Miles

Dotan

She's gone
2000 miles
It's very far
The snow came down
Gets colder day by day, I miss you

I heard children singing
It felt like Christmas time

And these frozen and silent nights
Sometimes in a dream you appear
Outside under the purple sky
Diamonds in the snow sparkle

Our hearts are singing
It felt like Christmas time

2000 miles
It's very far through the snow
I think of you wherever you're going

She's gone
2000 miles
It's very far
The snow came down
Gets colder day by day, I miss you

I heard people saying
Must be Christmas saying
I heard people saying
It must be Chirstmas time

2000 miles
It's very far through the snow
I think of you
Wherever you go
