Louder

Dotan

Oh-oh-oh, oh-oh-oh, oh, oh-oh, oh-oh
Oh-oh-oh, oh-oh-oh, oh, oh-oh, oh-oh
Oh-oh-oh, oh-oh-oh, oh, oh-oh, oh-oh
Oh-oh-oh, oh-oh-oh, oh, oh-oh, oh-oh

Go, wear your heart out
Dance the sun down
Fighting chemicals
And oh, the silver lining
Caught in silence
Like we're animals

Oh, oh-oh, oh-oh
Oh, oh-oh, oh-oh

We got lost in the low
Fight it out in our hearts
We are born to scream louder
Louder, echo
All the lights hanging on
Feel it burn in our lungs
We are born to scream louder
Louder, echo

Oh-oh-oh, oh-oh-oh, oh, oh-oh, oh-oh
Oh-oh-oh, oh-oh-oh, oh, oh-oh, oh-oh
Oh-oh-oh, oh-oh-oh, oh, oh-oh, oh-oh
Oh-oh-oh, oh-oh-oh, oh, oh-oh, oh-oh

Up on the mountains
So far woven
Falling at your feet
Love, you spin like diamonds
With a heart that's mindless
Crawling underneath

Oh, oh-oh, oh-oh
Oh, oh-oh, oh-oh

We got lost in the low
Fight it out in our hearts
We are born to scream louder
Louder, echo
All the lights hanging on
Feel it burn in our lungs
We are born to scream louder
Louder, echo

Oh-oh-oh, oh-oh-oh, oh, oh-oh, oh-oh
Oh-oh-oh, oh-oh-oh, oh, oh-oh, oh-oh
Oh-oh-oh, oh-oh-oh, oh, oh-oh, oh-oh
Oh-oh-oh, oh-oh-oh, oh, oh-oh, oh-oh

In the dead of night
Hold your skin so tight
Feel our bodies hanging on
Rushing in the deep

Like a faded dream
Pour the noise into the dawn

We got lost in the low
Fight it out in our hearts
We are born to scream louder
Louder, echo
All the lights hanging on
Feel it burn in our lungs
We are born to scream louder
Louder, echo

Oh-oh-oh, oh-oh-oh, oh, oh-oh, oh-oh
Oh-oh-oh, oh-oh-oh, oh, oh-oh, oh-oh
Oh-oh-oh, oh-oh-oh, oh, oh-oh, oh-oh
Oh-oh-oh, oh-oh-oh, oh, oh-oh, oh-oh
