

Marigold

Dotan

Be my black and white
I'll be your winter coat
Leave me out to dry
Wear me into the old

Run back to the night
Call me from the cold
Like a fading fire
Be my marigold
Be my marigold

Ah-ah, ah-ah, ah-ah-ah
Be my marigold
Ah-ah, ah-ah, ah-ah-ah
Be my marigold

Burn my wooden heart
Cover me like a dream
Melt my broken parts
Into the open sea

Run back to the night
Call me from the cold
Like a fading fire
Be my marigold
Be my marigold

Ah-ah, ah-ah, ah-ah-ah
Be my marigold
Ah-ah, ah-ah, ah-ah-ah
Be my marigold

Be my black and white
I'll be your winter coat
