

Porcelain

Dotan

Paint me like a ghost
Drown me in your sins
Tying up my lungs
But I'm breathing out again

We keep fighting with the lonely
Clouds are creeping in
So I place them on a shelf

And it feels like fire
Burning off my skin
Through the red and dire
It will melt like porcelain
In the dying shadows
Of the mess we're in
All the world is dark now
And I'm a little lost in here

Ooh, ooh-ooh, ooh-ooh
Ooh, ooh-ooh, ooh, ooh-ooh
Ooh, ooh-ooh, ooh, ooh-ooh
Now I'm a little lost in here

Catch me like a stone
Throw me to the night
Give me wings from bones
Show me how to fly

We keep fighting with the broken
Clouds are creeping in
So I place them on a shelf

And it feels like fire (Ooh)
Burning off my skin
Through the red and dire
It will melt like porcelain
In the dying shadows (Ooh)
Of the mess we're in
All the world is dark now
And I'm a little lost in here

Ooh, ooh-ooh, ooh-ooh
Ooh, ooh-ooh, ooh, ooh-ooh
Ooh, ooh-ooh, ooh, ooh-ooh
Now I'm a little lost in here
Ooh, ooh-ooh, ooh-ooh
Ooh, ooh-ooh, ooh, ooh-ooh
Ooh, ooh-ooh, ooh, ooh-ooh
Now I'm a little lost in here

Fighting the cold
'Till we breathe it out again
'Till we breathe it out again
Woah, oh-oh, oh-oh-oh
Fighting the cold
'Till we breathe it out again
'Till we breathe it out again

Paint me like a ghost
Drown me in your sins
Tying up my lungs
But I'm breathing out again
