

Love's Farewell

Dottie West

The time has come for me to leave you cryin'
But love is priceless when it's stained with tears
Love has wings and my love is ever flyin' in its way to you through
endless years
Love's young dream foretells no separations that sacred flame can
burn reality
Yet life deals out its own destinations and sunshine turns to darkness
so suddenly
Time had touched me gently in the face and consolation I must try to
find
To leavin' deaf I leave you no disgrace and I'll live within the heart I
leave behind
